ANNEX I ROUTE SCHEDULE

ANNEX II CODE SHARING

The Government of the Republic of Turkey and the Government of Saint Vincent and the Grenadines hereinafter referred to as “Contracting Parties”,

Being Parties to the Convention on International Civil Aviation and International Air Services Transit Agreement both opened for signature at Chicago on the seventh day of December, 1944;

Desiring to facilitate the expansion of international air services opportunities;

Recognizing that efficient and competitive international air services enhance economic growth, trade, tourism, investment and the welfare of consumers;

Desiring to ensure the highest degree of safety and security in international air services and reaffirming their grave concern about acts or threats against the security of aircraft, which jeopardize the safety of persons or property, adversely affecting the operation of air services, and undermine public confidence in the safety of civil aviation; and

Desiring to conclude an Agreement for the purpose of establishing and operating air services between and beyond their respective territories;

HAVE AGREED AS FOLLOWS:

ARTICLE 1 DEFINITIONS

1. For the purpose of this Agreement, unless the context otherwise requires, the terms:
 - a. "Aeronautical Authorities" means, in the case of the Republic of Turkey, the Ministry of Transport, Maritime Affairs and Communications, Directorate General of Civil Aviation (DGCA) and in the case of the Government of Saint Vincent and the Grenadines, Ministry of National Security Air and Sea Port Development or in both cases any person or body authorized to exercise the functions presently assigned to the said authorities;

- b. Agreement means, this Agreement, its Annexes and any amendments thereto;
- c. Agreed services means, the international air services which can be operated according to provisions of this Agreement on the specified routes;
- d. Annex means the Annex to this Agreement or any amendments thereto, in accordance with the provisions of Article 24 (Consultations and Amendment) of this Agreement;
- e. “Air Operator’s Certificate” means a document issued to an airline which affirms that the airline in question has the professional ability and organization to secure the safe operation of aircraft for the aviation activities specified in the certificate;
- f. “All service international air service”, “airline” and “stop for non-traffic purposes” have the meanings specified in Article 96 of the Convention;
- g. “Capacity” means,
 - in relation to an aircraft, the payload of that aircraft available on the route or section of a route,
 - in relation to a specified air service, the capacity of the aircraft used on such service multiplied by the frequency operated by such aircraft over a given period on a route or section of a route;
- h. “Convention” means the Convention on International Civil Aviation opened for signature at Chicago on the seventh day of December, 1944 and includes any Annex adopted under Article 90 of that Convention and any amendment of the Annexes of the Convention under Articles 90 and 94 thereof, so far as those annexes and amendments have become effective for or been ratified by both Contracting Parties;
- i. “Designated airline(s)” means any airline(s) which has/have been designated and authorized in accordance with Article 3 (Designation and Authorization) of this Agreement;
- j. “Ground-handling” means and includes but is not limited to passenger, cargo and baggage handling, and the provision of catering facilities and/or services;
- k. “ICAO” means the International Civil Aviation Organization;
- l. “International air transportation” means air transportation which passes through the air space over the territory of more than one State;
- m. “Marketing airline” means an airline that offers air transportation on an aircraft operated by another airline, through code-sharing;
- n. “Schedule” means the schedule of the routes to operate air transportation services annexed to the present Agreement and any modifications thereto as agreed in accordance with the provisions of Article 24 (Consultations and Amendment) of the present Agreement;
- o. “Specified routes” means the routes established or to be established in the Annex to this Agreement;
- p. “Spare parts” means, articles of a repair or replacement nature for incorporation in an aircraft, including engines;
- q. “Tariff” means any fare, rate or charge, the prices to be paid for the carriage of passengers, baggage and/or cargo, excluding mail, in air transportation, including any other mode of transportation in connection therewith, charged by airlines, including their agents and the conditions governing the availability of such fare rate or charge;
- r. “Territory” has the meaning specified in Article 2 of the Convention;
- s. “Traffic” means, passengers, baggage, cargo and mail;
- t. “Regular equipment” means articles, other than stores and spare parts of a removable nature, for use on board an aircraft during flight, including first aid and survival equipment;
- u. “User charges” means fees or rates levied for the use of airports, navigational facilities and other related services offered by one Contracting Party to the other.

ARTICLE 2

GRANT OF RIGHTS

1. Each Contracting Party grants to the other Contracting Party the following rights for the conduct of scheduled international air services on the routes specified in Annex I to this Agreement by the designated airlines of the other Contracting Party;
 - a. to fly without landing across the territory of the other Contracting Party,
 - b. to make stops in the said territory for non-traffic purposes,
 - c. to make stops in the territory at the points specified for that route in Annex I to this Agreement for the purpose of embarking and disembarking the international traffic in combination or separately.
 - d. the rights otherwise specified in this Agreement.
2. Nothing in paragraph (1) of this Article shall be deemed to confer on the airlines of one Contracting Party the privilege of taking up, in the territory of the other Contracting Party, traffic carried for remuneration or hire and destined for another point in the territory of that other Contracting Party.

ARTICLE 3

DESIGNATION AND AUTHORISATION

1. Each Contracting Party shall have the right to designate one or more airlines for the purpose of operating the agreed services on the specified routes. Such designation shall be effected by virtue of a written notification through diplomatic channels.
2. On receipt of such designation, the aeronautical authorities of other Contracting Party shall, subject to paragraphs (3) and (4) of this Article, grant with minimal procedural delay to the designated airline(s) the appropriate operating authorization and permissions provided;
 - a. In the case of an airline designated by the Republic of Turkey:
 - i. it is established in the Republic of Turkey and has a valid operating licence in accordance with the republic of Turkey laws; and
 - ii. effective regulatory control of the airline is exercised and maintained by the Republic of Turkey as being responsible for issuing its Air Operator's Certificate and the aeronautical authority is clearly identified in the designation; and
 - iii. the airline is owned, directly or through majority ownership, and it is effectively controlled by the Republic of Turkey and/or by its nationals;
 - b. In the case of an airline designated by Saint Vincent and the Grenadines:
 1. It is established in the territory of Antigua and Barbuda or a Caribbean Community Member State and has a valid Operating License in accordance with the applicable laws of Saint Vincent and the Grenadines or a Caribbean Community Member State.
 2. Effective regulatory control of the airline is exercised and maintained by Saint Vincent and the Grenadines or the Caribbean Community Member State responsible for issuing its Air Operators Certificate and the relevant authority is clearly identified in the designation; and
3. The airline is owned and shall continue to be owned directly or through majority ownership by Saint Vincent and the Grenadines and/or nationals of Saint Vincent and the Grenadines, or by a Caribbean Community Member State or States and/or nationals of the Caribbean Community Member States, and shall at all times be effectively controlled by Saint Vincent and the Grenadines or nationals of Saint Vincent and the Grenadines or by such Caribbean Community Member States and/or nationals of such States.

4. Each Contracting Party may refuse, revoke, suspend or limit the authorizations or permissions of an air carrier designated by the other Contracting Party where the air carrier is owned and effectively controlled directly or through majority ownership by a State (third country) and/or nationals of a State with which either Contracting Party does not have a bilateral air services agreement, and the necessary traffic rights to that State are not reciprocally available.
5. When an airline has been so designated and authorized, it may begin at any time to operate the agreed services, provided that a capacity agreed upon and a tariff established in accordance with the provisions of Article 5 (Capacity) and Article 6 (Tariffs) of this Agreement is in force in respect of that service.

ARTICLE 4

REVOCATION OR SUSPENSION OF OPERATING AUTHORISATION

1. Each Contracting Party shall have the right to revoke an operating authorization or to suspend the exercise of the rights specified in Article 2 (Grant of Rights) of this Agreement by an airline/s designated by the other Contracting Party, or to impose such conditions as it may deem necessary on the exercise of these rights:

Either Party may withhold, revoke, suspend or impose conditions where:

- a. In the case of an airline designated by the Republic of Turkey:
 1. The airline is not established in the territory of The Republic of Turkey or does not have a valid Operating License in accordance with the laws of The Republic of Turkey.
 2. Effective regulatory control of the airline is not exercised or not maintained by The Republic of Turkey;
 3. The airline is not owned by and effectively controlled directly or through majority ownership by the Republic of Turkey and /or nationals of The Republic of Turkey.
- b. In the case of an airline designated by Saint Vincent and the Grenadines-
 1. The airline is not established in the territory of Saint Vincent and the Grenadines or does not have a valid Operating License in accordance with the applicable laws of Saint Vincent and the Grenadines or a Caribbean Community Member State;
 2. Effective regulatory control of the airline is not exercised or not maintained by Saint Vincent and the Grenadines or the Caribbean Community Member State responsible for issuing its Air Operators Certificate.
 3. The airline is not owned by and effectively controlled directly or through majority ownership by Saint Vincent and the Grenadines or by Caribbean Community Member States and/or nationals of Saint Vincent and the Grenadines or nationals of a Caribbean Community Member State or States.
- c. in case of failure by that airline to comply with the laws or regulations of the Contracting Party granting the rights; or,
- d. in case that airline otherwise fails to operate in accordance with the conditions prescribed under this Agreement.
2. Each Contracting Party may refuse, revoke, suspend or limit the authorizations or permissions of an air carrier designated by the other Contracting Party where the air carrier is owned and effectively controlled directly or through majority ownership by a State (third country) and/or nationals of a State with which either Contracting Party does not have a bilateral or multilateral air services agreement, and the necessary traffic rights to that State are not reciprocally available.

ARTICLE 5

CAPACITY

1. The designated airline(s) of each Contracting Party shall enjoy fair and equal opportunity for the operation of air services between the territories of two Contracting Parties.
2. In the operation by the designated airline(s) of either Contracting Party of the specified air services, the interests of the airline of the other Contracting Party shall be taken into consideration so as not to affect unduly the services which the latter provides on all or part of the same route.
3. The agreed services provided by the designated airlines of the Contracting Parties shall bear close relationship to the requirements of the public for transportation on the specified routes and shall have as their primary objective the provision, at a reasonable load factor, of capacity adequate to carry the current and reasonably anticipated requirements of passengers and cargo including mail between the territories of the Contracting Parties.
4. In the operation of the agreed services, the total capacity to be provided and the frequency of the services to be operated by the designated airlines of each Contracting Party shall be, at the outset, be mutually determined by the aeronautical authorities of the Contracting Parties before the services are inaugurated. Such capacity and frequency of services initially determined may be reviewed and revised from time to time by said authorities.

ARTICLE 6

TARIFFS

1. Each Contracting Party shall allow the tariffs for international air services operated to/from/through its territory to be established by the designated airlines at reasonable levels, due regard being paid to all relevant factors, including cost of operation, reasonable profit and the tariffs of other airlines. Intervention by the Contracting Parties shall be limited to:
 - a) prevention of unreasonably discriminatory prices or practices;
 - b) protection of consumers from prices that are unreasonably high or restrictive due to the abuse of a dominant position; and
 - c) protection of airlines from prices that is artificially low due to direct or indirect governmental subsidy or support.
2. The tariffs established under paragraph (1) shall not be required to be filed by the designated airlines of one Contracting Party with the aeronautical authorities of the other Contracting Party for approval.
3. Nether Contracting Party shall allow its designated airline or airlines, in the establishment of tariffs, either in conjunction with any other airline or airlines or separately, to abuse market power in a way which has or is likely or intended to have the effect of severely weakening a competitor, being a designated airline of the other Contracting Party, or excluding such a competitor from a route.
4. The Contracting Parties agree that the following airline practices, in relation to the establishment of tariffs, may be regarded as possible unfair competitive practices which may merit closer examination:
 - a. charging fares and rates on routes at levels which are, in the aggregate, insufficient to cover the costs of providing the services to which they relate;
 - b. the practices in question are sustained rather than temporary;
 - c. the practices in question have a serious economic effect on, or cause significant damage to, designated airline(s) of the other Contracting Party; and
 - d. behavior indicating an abuse of dominant position on the route.

5. In the event that either aeronautical authority is dissatisfied with a tariff proposed or in effect for an airline of the other Contracting Party, the aeronautical authorities will endeavor to settle the matter through consultations, if so requested by either authority. In any event, the aeronautical authority of a Contracting Party shall not take unilateral action to prevent the coming into effect or continuation of a tariff of an airline of the other Contracting Party.
6. Notwithstanding the foregoing, the designated airlines of one Contracting Party shall provide, on request, to the aeronautical authorities of the other Contracting Party the information relating to the establishment of the tariffs, in a manner and format as specified by such authorities.
7. No Contracting Party shall impose on the other Contracting Party's designated airlines a first-refusal requirement, uplift ratio, no-objection fee, or any other requirement with respect to capacity, frequency or traffic that would be inconsistent with the purposes of this Agreement.

ARTICLE 7

TAXES, CUSTOMS DUTIES AND OTHER CHARGES

1. Aircraft operated on international air services by the designated airline of either Contracting Party, as well as their regular equipment, spare parts (including engines), supplies of fuels and lubricants (including hydraulic fluids), and aircraft stores (including food, beverages, liquor, tobacco and other products for sale to or use by passengers during flight) carried on board, such aircraft shall be exempt from all customs duties, inspection fees and other duties or taxes on arriving in the territory of the other Contracting Party, provided such equipment and supplies remain on board the aircraft until such time as they are re-exported or are used on board aircraft on the part of the journey to be performed over that territory.
2. The following items also shall be exempt from the same duties and taxes, in relation with the exception of carriage corresponding to the service performed;
 - a. aircraft stores taken on board in the territory of either Contracting Party, within limits fixed by the authorities of the said Contracting Party, and for use on board aircraft engaged in an international service of the Contracting Party,
 - b. spare parts (including engines) and regular airborne equipment entered into the territory of either Contracting Party for the maintenance or repair of aircraft used on international services by the designated airline(s) of the other Contracting Party,
 - c. fuel (subject to paragraph 6 and 7) and lubricants (including hydraulic fluids) destined to supply aircraft operated on international services by the designated airline of the other Contracting Party, even when these supplies are to be used on the part of the journey to be performed over the territory of the Contracting Party in which they are taken on board,
 - d. printed ticket stock, airway bills any printed material bearing insignia of a designated airline of a Contracting Party and usual publicity material distributed without charge by that designated airline intended for use in the operation of international services until such time as they are re-exported.
3. Materials referred to in paragraph (2) above shall be subject to supervision or control of customs authorities.
4. The regular airborne equipment, spare parts (including engines), aircraft stores and supplies of fuels and lubricants (including hydraulic fluids) as well as the materials and supplies retained on board the aircraft of either Contracting Party may be unloaded in the territory of the other Contracting Party only with the approval of the customs authorities of such territory. In such case, they shall be placed under the supervision of the said authorities up to such time as they are re-exported or otherwise disposed of in accordance with customs regulations of that Contracting Party.
5. The fees corresponding to the services performed in relation to the storage and customs clearance will be charged in accordance with the national laws and regulations of the State of the Contracting Parties.

6. Nothing in this Agreement shall prevent the Republic of Turkey from imposing on a non-discriminatory basis, taxes, levies, duties, fees or charges on fuel supplied in its territory for use in an aircraft of a designated airline of the St. Vincent and the Grenadines and another point in the territory of the Republic of Turkey.
7. Nothing in this Agreement shall prevent St. Vincent and the Grenadines from imposing on a non-discriminatory basis, taxes, levies, duties, fees or charges on fuel supplied in its territory for use in an aircraft of a designated airline of the Republic of Turkey and another point in the territory of the St. Vincent and the Grenadines in circumstances where the Caribbean Community Member States have entered into an agreement on the imposition of charges on such fuel supplies.

ARTICLE 8 DIRECT TRANSIT

Subject to the laws and regulations of each Contracting Party, passengers, baggage, cargo and mail in direct transit across the territory of one Contracting Party and not leaving the area of the airport reserved for such purpose shall only be subject to a very simplified control except in respect of security measures against violence, air piracy and smuggling of narcotics & psychotropic substances. Such baggage, cargo and mail shall be exempt from customs, excise and similar duties, fees and charges not based on the cost of services provided on arrival.

ARTICLE 9 USER CHARGES

1. Airports, aviation security and other related facilities and services that are provided in the territory of one Contracting Party shall be available for use by the airlines of the other Contracting Party on terms no less favorable than the most favorable terms available to any airline engaged in similar international air services at the time arrangements for use are made.
2. The designated airline or airlines of one Contracting Party shall be permitted, in accordance with the national laws and regulations of both Contracting Parties, to perform its own specified ground handling services in the territory of the other Contracting Party and, at its option, to have ground handling services provided in whole or in part by any agent authorized, if required by domestic laws and regulations, by the competent authorities of the other Contracting Party to provide such services.
3. The setting and collection of fees and charges imposed in the territory of one Contracting Party on an airline of the other Contracting Party for the use of airports, aviation security and other related facilities and services shall be just and fair. Any such fees and charges shall be assessed on an airline of the other Contracting Party on terms no less favorable than the most favorable terms available to any airline engaged in similar international air services at the time the fees or charges are imposed.
4. Each Contracting Party shall encourage discussions between its competent charging authorities and the airlines using the services and facilities, or where practicable, through airlines' representative organizations. Users shall be informed, with as much notice as possible, of any proposals for changes in user charges, to enable them to express their views before the changes are made.

ARTICLE 10 NON-NATIONAL PERSONNEL AND ACCESS TO LOCAL SERVICES

1. In accordance with the laws and regulations of the other Contracting Party relating to entry, residence and employment the designated airline or airlines of one Contracting Party shall be entitled to bring in and to maintain in the territory of the other Contracting Party their own senior administrative, commercial, sales, operational, technical and other specialist staff who are required for the operation of the agreed services.
2. These staff requirements may, at the option of the designated airline or airlines of one Contracting Party, be satisfied by its own personnel or by using the services and personnel of any other

organization, company or airline operating in the territory of the other Contracting Party and which has been authorized to perform such services for other airlines.

3. The representatives and staff shall be subject to the laws and regulations in force of the other Contracting Party. Consistent with such laws and regulations each Contracting Party shall, on the basis of reciprocity and with the minimum of delay, grant the necessary employment authorizations, visitor visas or other similar documents to the representatives and staff referred to in paragraph (1) of this Article.

ARTICLE 11

CURRENCY CONVERSION AND REMITTANCE OF EARNINGS

1. Each designated airline(s) shall have the right to sell and issue its own transportation documents in the territory of the other Contracting Party through its sales offices and, at its discretion, through its agents. Such airlines shall have the right to sell such transportation, and any person shall be free to purchase such transportation in any convertible currency and/or in local currency.
2. Each designated airline(s) shall have the right to convert and remit to its country, on demand, at the official rate of exchange, the excess of receipts over expenditures achieved in connection with the carriage of traffic. In the absence of appropriate provisions of a payments agreement between the Contracting Parties, the above mentioned transfer shall be made in convertible currencies and in accordance with the national laws and foreign exchange regulations applicable.
3. The conversion and remittance of such revenues shall be permitted without restriction at the rate of exchange applicable to current transactions which is in effect at the time such revenues are presented for conversion and remittance, and shall not be subject to any charges except those normally made by banks for carrying out such conversion and remittance.
4. The designated airline(s) of each Contracting Party shall have the right at their discretion to pay for local expenses, including purchases of fuel, in the territory of the other Contracting Party in local currency or, provided this accords with local currency regulations, in freely convertible currencies.

ARTICLE 12

MUTUAL RECOGNITION OF CERTIFICATES AND LICENCES

1. Air Operator's Certificates, certificates of airworthiness, certificates of competency and licenses, issued or rendered valid by one Contracting Party and still in force shall be recognized as valid by the other contracting Party for the purpose of operating the agreed services on the specified routes provided that the requirements under which such certificates or licenses were issued or rendered valid are equal to or above the minimum standards which are or may be established pursuant to the Convention. However, each Contracting Party reserves the right to refuse to recognize, for the purpose of Flights above its own territory, certificates of competency and licenses granted to its own nationals or rendered valid for them by the other Contracting Party or any other State.
2. If the privileges or conditions of the licenses or certificates referred to in paragraph (1) above, issued by the aeronautical authorities of one Contracting Party to any person or designated airline or in respect of an aircraft used in the operation of the agreed services, should permit a difference from the minimum standards established under the Convention, and which difference has been filed with the International Civil Aviation Organization (ICAO), the other Contracting Party may request consultations between the aeronautical authorities with a view to clarifying the practice in question. Failure to reach satisfactory agreement shall constitute grounds for the application of Article 4 (Revocation or Suspension of Operating Authorization) of this Agreement.

ARTICLE 13 AVIATION SAFETY

1. Each Contracting Party may request consultations at any time concerning safety standards in any area relating to aeronautical facilities and services, to aircrew, aircraft or their operation adopted by the other Contracting Party. Such consultations shall take place within thirty (30) days of that request.
2. If, following such consultations, one Contracting Party finds that the other Contracting Party does not effectively maintain and administer, in the aspects mentioned in paragraph 1 of this Article, safety standards in any such area that are at least equal to the minimum standards established at that time pursuant to the Convention, the first Contracting Party shall notify the other Contracting Party of those findings and the steps considered necessary to conform with those minimum ICAO standards, and that other Contracting Party shall take appropriate corrective action within an agreed period. Failure to take appropriate action within the agreed period shall be grounds for the application of Article 4 (Revocation, Suspension or Limitations of Authorization) of this Agreement.
3. Notwithstanding the obligations mentioned in Article 16 of the Convention, it is agreed that any aircraft operated by or on behalf of the airline of one Contracting Party on services to or from the territory of the State of the other Contracting Party may while within the territory of the State of the other Contracting Party, be made subject of an examination (in this Article called “ramp inspection”), without unreasonable delay. This would be an inspection by the authorized representatives of the other Contracting Party, on board and around the aircraft. However, the obligations mentioned in Article 33 of the Convention, the objective of this inspection will be to check both the validity of the aircraft documents and those of its crew and the apparent condition of the aircraft and its equipment in accordance with the established effective norms on the basis of the Convention.
4. If any such ramp inspection or series of ramp inspections gives rise to:
 - a) Serious concerns that an aircraft or the operation of an aircraft does not comply with the minimum standards established at that time pursuant to the Convention, or
 - b) serious concerns that there is a lack of effective maintenance and administration of safety standards established at that time pursuant to the Convention,the Contracting Party carrying out the inspection shall, for the purposes of Article 33 of the Convention, be free to conclude that the requirements under which the certificate or licenses in respect of that aircraft or in respect of the crew of that aircraft had been issued or rendered valid, or that the requirements under which that aircraft is operated, are not equal to or above the minimum standards established pursuant to the Convention.
5. In the event that access for the purpose of undertaking a ramp inspection of an aircraft operated by the designated airline of a Contracting Party in accordance with paragraph (3) above is denied by the representative of that airline, the other Contracting Party shall be free to infer that serious concerns of the type referred to in paragraph (4) above arise and draw the conclusions referred in that paragraph.
6. Each Party reserves the right to suspend or vary the operating authorization of the airline of the other Contracting Party immediately in the case the first Contracting Party concludes, whether as a result of a ramp inspection, the denial of an access to the ramp inspection or a series of ramp inspection, consultation or otherwise, that immediate action is essential to the safety of an airline operation.
7. Any action by one Contracting Party in accordance with paragraphs (2) or (6) above shall be discontinued once the basis for the taking of that action ceases to exist.

ARTICLE 14

AVIATION SECURITY

1. Consistent with their rights and obligations under international law, the Contracting Parties reaffirm that their obligation to each other to protect the security of civil aviation against acts of unlawful interference forms an integral part of this Agreement. Without limiting the generality of their rights and obligations under international law, the Contracting Parties shall in particular act in conformity with the provisions of the Convention on Offenses and Certain Other Acts Committed on Board Aircraft, signed at Tokyo on 14 September 1963, the Convention for the Suppression of Unlawful Seizure of Aircraft, signed at the Hague on 16 December 1970, the Convention for the Suppression of Unlawful Acts Against the Safety of Civil Aviation, signed at Montreal on 23 September 1971 and Protocol for the Suppression of Unlawful Acts of Violence at Airports serving International Civil Aviation, signed at Montreal on 24 February 1988 or the Convention on the Marketing of Plastic Explosives for the Purpose of Detection done at Montreal on 1 March 1991 or any other Convention on aviation security to which the Contracting Parties are parties.
2. Upon request, the Contracting Parties shall provide all necessary assistance to each other to prevent acts of unlawful seizure of civil aircraft and other unlawful acts against the safety of such aircraft, their passengers and crew, of airports and air navigation facilities, and to address any other threat to the security of civil aviation.
3. The Contracting Parties, in their mutual relations, shall act in conformity with all aviation security standards and appropriate recommended practices established by ICAO and designated as Annexes to the Convention on International Civil Aviation to the extent that such security provisions are applicable to the Contracting Parties. They shall require that operators of aircraft of their registry or operators of aircraft who have their principal place of business or permanent residence in their territory and the operators of airports in their territory act in conformity with such aviation security provisions as are applicable to the Contracting Parties. Accordingly each Contracting Party shall advise the other Contracting Party of any difference between its national regulations and practices and the aviation security standards of the Annexes referred to above. Either Contracting Party may request immediate consultations with the other Contracting Party at any time to discuss any such differences which shall be held in accordance with paragraph 2 of Article 24 (Consultations and Amendment) of this Agreement.
4. Each Contracting Party agrees that such operators of aircraft may be required to observe the aviation security provisions referred to in paragraph (3) above required by the other contracting Party for entry into, departure from, or while within, the territory of that other Contracting Party. Each Contracting Party shall secure that adequate measures are effectively applied within its territory to protect the aircraft and to inspect passengers, crew, carry-on items, and baggage, cargo and aircraft stores prior to and during boarding or loading. Each Contracting Party shall also give sympathetic consideration to any request from the other Contracting Party for reasonable special security measures to meet a particular threat.
5. When an incident or threat of an incident of unlawful seizure of civil aircraft or other unlawful acts against the safety of such aircraft, their passengers and crew, airports or air navigation facilities occurs, the contracting Parties shall assist each other by facilitating communications and other appropriate measures intended to terminate rapidly and safely such incident or threat thereof, with minimum risk to life.
6. Each Contracting Party shall take such measures, as it may find practicable, to ensure that an aircraft subject to an act of unlawful seizure or other acts of unlawful interference, which has landed in the territory of the respective State is detained on the ground unless its departure is necessitated by the overriding duty to protect human life. Wherever practicable, such measures shall be taken on the basis of mutual consultations.

ARTICLE 15

SECURITY OF TRAVEL DOCUMENTS

1. Each Contracting Party agrees to adopt measures to ensure the security of their passports and other travel documents.
2. In this regard, each Contracting Party agrees to establish controls on the lawful creation, issuance, verification and use of passports and other travel documents and identity documents issued by, or on behalf of, that Contracting Party.
3. Each Contracting Party also agrees to establish or improve procedures to ensure that travel and identity documents issued by it are of such quality that they cannot easily be misused and cannot readily be unlawfully altered, replicated or issued. Pursuant to the objective above, each Contracting Party shall issue their passports and other travel document in accordance with ICAO Doc 9303, Machine Readable Travel Documents: Part 1-Machine Readable Passports, Part 2-Machine Readable Visas, and/or Part 3-Size 1 and Size 2 Machine Readable Official Travel Documents.
4. Each Contracting Party further agrees to exchange operational information regarding forged or counterfeit travel documents, and to cooperate with the other to strengthen resistance to travel document fraud, including the forgery or counterfeiting of travel documents, the use of forged or counterfeit travel documents, the use of valid travel documents by imposters, the misuse of authentic travel documents by rightful holders in furtherance of the commission of an offence, the use of expired or revoked travel documents, and the use of fraudulently obtained travel documents.

ARTICLE 16

COMPUTER RESERVATION SYSTEMS (CRS)

Each Contracting Party shall apply the ICAO Code of Conduct for the Regulation and Operation of Computer Reservation Systems within its territory.

ARTICLE 17

BAN ON SMOKING

1. Each Contracting Party shall prohibit or cause their airlines to prohibit smoking on all flights carrying passengers operated by its airlines between the territories of the Contracting Parties. This prohibition shall apply to all locations within the aircraft and shall be in effect from the time an aircraft commences enplanement of passengers to the time deplanement of passengers is completed.
2. Each Contracting Party shall take all measures that it considers reasonable to secure compliance by its airlines and by their passengers and crew members within the provisions of this Article, including the imposition of appropriate penalties for non-compliance in accordance with applicable laws and regulations.

ARTICLE 18

ENVIRONMENTAL PROTECTION

The Contracting Parties support the need to protect the environment by promoting the sustainable development of aviation. The Contracting Parties agree with regard to operations between their respective territories to comply with the ICAO Standards and Recommended Practices (SARPs) of Annex 16 and the existing ICAO policy and guidance on environmental protection.

ARTICLE 19

APPLICABILITY TO CHARTER/NON SCHEDULED FLIGHTS

1. The provisions set out in Articles 7 Taxes, Customs Duties and Other Charges, 8 Users Charges, 10 Non-National Personnel and Access to Local Services, 11 Currency Conversion and Remittance of Earnings, 12 Mutual Recognition of Certificates and Licenses, 13 Aviation Safety,

14 Aviation Security, 22 Statistics, 22 Application of Laws and Regulations and 24 Consultations and Amendment of this Agreement apply as well to charters and other non-scheduled flights operated by the air carriers of one Contracting Party into or from the territory of the other Contracting Party and to the air carriers operating such flights.

2. The provisions of paragraph 1 of this Article shall not affect national laws and regulations governing the authorization of charter or non-scheduled flights or the conduct of air carriers or other parties involved in the organization of such operations.

ARTICLE 20 LEASING

1. Either Contracting Party may prevent the use of leased aircraft for services under this Agreement which does not comply with Articles 13 (Aviation Safety) and 14 (Aviation Security) of this Agreement.
2. Subject to paragraph 1 above, the designated airlines of each Contracting Party may use aircraft leased from any company, including other airlines, provided that this would not result in a lesser airline exercising traffic rights it does not have.

ARTICLE 21 FLIGHT SCHEDULE SUBMISSION

1. The designated airline(s) of each Contracting Party shall submit its envisaged flight schedules for approval to the aeronautical authorities of the other Contracting Party on each schedule period (summer and winter) at least thirty (30) days prior to the operation of the agreed services.
2. For supplementary flights which the designated airline of one Contracting Party wishes to operate on the agreed services outside the approved flight schedule, that airline has to request prior permission from the aeronautical authorities of the other Contracting Party. Such requests shall be submitted in accordance with the national laws and regulations of the Contracting Parties. The same procedure shall be applied to any modification thereof.

ARTICLE 22 STATISTICS

The aeronautical authorities of either Contracting Party shall supply to the aeronautical authorities of the other Contracting Party at their request, such periodic or other statements of statistics as may be reasonably required for the purpose of reviewing the capacity provided on the agreed services by the designated airlines of the first Contracting Party. Such statements shall include all information required to determine the amount of traffic carried by the airline on the agreed services and the origins and destinations of such traffic.

ARTICLE 23 APPLICATION OF NATIONAL LAWS AND REGULATIONS

1. The laws and the regulations of a Contracting Party relating to the entry into, sojourn in or departure from its territory of aircraft engaged in international air services, or to the operation and navigation of such aircraft or flights of such aircraft or flights of such aircraft over that territory shall be applied to aircraft of the airline designated by the other Contracting Party.
2. The laws and the regulations of one Contracting Party governing entry into, sojourn in or departure from its territory of passengers, crew, baggage or cargo, including mail, such as formalities relating to entry, exit, clearance, emigration and immigration, aviation security, passports, customs, currency, postal, health and quarantine shall be complied with by or on behalf of such passengers, crew, baggage, cargo or mail carried by the aircraft of the designated airlines of the other Contracting Party while they are within the said territory.

3. Each Contracting Party shall, upon request of the other Contracting Party, supply the copies of the relevant laws, regulations and procedures referred to in this Agreement.

ARTICLE 24

CONSULTATIONS AND AMENDMENT

1. In a spirit of close co-operation, the Aeronautical Authorities of the Contracting Parties shall consult each other from time to time with a view to the implementation, interpretation, application or amendment of this Agreement and the Annexes thereto.
2. Should one Contracting Party request consultations with a view to modify this Agreement or its Annexes, such consultations shall begin at the earliest possible date but not later than sixty (60) days from the date the other Contracting Party receives the written request, unless otherwise agreed by the Contracting Parties. Such consultations may be conducted through discussion or by correspondence. Each Contracting Party shall prepare and present during such consultations relevant evidence in support of its position in order to facilitate rational and economic decisions to be taken.
3. If either of the Contracting Parties considers it desirable to amend any provision of this Agreement, such modification enters into force when the Contracting Parties will have notified to each other the fulfillment of their constitutional procedures.
4. Amendments to the Annexes may be made by direct agreement between the aeronautical authorities of the Contracting Parties. They shall be applied provisionally from the date they have been agreed upon and enter into force when confirmed by an exchange of diplomatic notes.

ARTICLE 25

SETTLEMENT OF DISPUTES

1. If any dispute arises between the Contracting Parties relating to the interpretation or application of this Agreement, the Contracting Parties shall in the first place endeavor to settle their dispute by negotiations between Aeronautical Authorities of the States of both Contracting Parties.
2. If the said Aeronautical Authorities fail to reach a settlement by negotiation the dispute shall be settled through diplomatic channels.
3. If the Contracting Parties fail to reach a settlement pursuant to paragraphs (1) and (2) above, either Contracting Party may in accordance with its relevant laws and regulations refer the dispute to an arbitral tribunal of three arbitrators, one to be named by each Contracting Party and the third arbitrator, who shall be the umpire, to be agreed upon by the two arbitrators so chosen, provided that such arbitrator shall not be a national of the State either Contracting Party and shall be a national of a State having diplomatic relations with each of the Contracting Parties at the time of appointment.

Each Contracting Party shall nominate its arbitrator within a period of sixty (60) days from the date of receipt, through registered mail, of a notice of arbitration. The umpire shall be appointed within a further period of sixty (60) days following the appointment of the arbitrator by each of the Contracting Parties.

If a Contracting Party fails to nominate its arbitrator within the specified period or in case the chosen arbitrators fail to agree on the umpire within the mentioned period, each Contracting Party may request the President of the Council of ICAO to appoint the umpire or the arbitrator representing the Party in default, as the case may require.

4. The Vice-President or a senior member of the ICAO Council, not being a national of either of the Contracting Parties, as the case may be, shall replace the President of ICAO in its arbitral duties, as mentioned in paragraph (3) of this Article, in case of absence or incompetence of the latter.
5. The arbitral tribunal shall determine its procedures and the place of arbitration subject to provisions agreed upon between the Contracting Parties.

6. The decisions of the arbitral tribunal shall be final and binding upon the Contracting Parties to the dispute.
7. If either Contracting Party or the designated airline of either Contracting Party fails to comply with the decision given under paragraph (2) of this Article, the other Contracting Party may limit, suspend or revoke any rights or privileges which have been granted by virtue of this Agreement to the Contracting Party in default.
8. Each Contracting Party shall bear the expenses of its own arbitrator. The expenses of the umpire, including his/her fees and any expenses incurred by ICAO in connection with the appointment of the umpire and/or the arbitrator of the Party in default as referred to in paragraph (3) of this Article shall be shared equally by the Contracting Parties.
9. Pending the submission to arbitration and thereafter until the arbitral tribunal publishes its award; the Contracting Parties shall, except in the event of termination, continue to perform all their obligations under this Agreement without prejudice to a final adjustment in accordance with the said award.

ARTICLE 26

REGISTRATION

This Agreement, its Annexes and all amendments thereto shall be registered with ICAO.

ARTICLE 27

MULTILATERAL AGREEMENTS

In the event of conclusion of a multilateral convention or agreement concerning air transport to which both Contracting Parties adhere, this Agreement shall be modified to conform to the provisions of such convention or agreement.

ARTICLE 28

TITLES

Titles are inserted in this Agreement at the head of each Article for the purpose of reference and convenience and in no way define limit, or describe the scope or intent of this Agreement.

ARTICLE 29

VALIDITY and TERMINATION

This Agreement is concluded for an unlimited period of time.

Either Contracting Party may at any time give notice to the other Contracting Party of its decision to terminate this Agreement; such notice shall simultaneously be communicated to ICAO.

In such case, the Agreement shall terminate twelve (12) months after the date of receipt of the notice by the other Contracting Party unless the notice to terminate is withdrawn by mutual agreement before the expiry of this period. In the absence of acknowledgement of receipt by the other Contracting Party, the notice shall be deemed to have been received fourteen (14) working days after the date on which ICAO will have received communication thereof.

ARTICLE 30

ENTRY INTO FORCE

This Agreement shall enter into force when the Contracting Parties will have notified to each other the fulfillment of their legal formalities with regard to the conclusion and the entering into force of international agreements.

In witness thereof, the undersigned plenipotentiaries, being duly authorized thereto by their respective Governments, have signed this Agreement comprising thirty (30) Articles and two (2) Annexes and have affixed thereto their seals.

Done at Istanbul this 18th day of July the year 2014 in duplicate, in the Turkish and English languages, all texts being equally authenticated. In case of any divergence of implementation, interpretation or application, the English text shall prevail.

ANNEX I
ROUTE SCHEDULE

1. The airlines designated by the Republic of Turkey shall be entitled to operate air services in both directions as follows:

From	Intermediate Points	To	Beyond Points
Points in Turkey	Any point (*)	Kingstown Canouan	Any point (*)

2. The airlines designated by the Saint Vincent and the Grenadines shall be entitled to operate air services in both directions as follows:

From	Intermediate Points	To	Beyond Points
Points in Saint Vincent and the Grenadines	Any point (*)	Istanbul Ankara	Any point (*)

Notes:

- (*) The intermediate points and beyond points on the above routes, and 5th freedom traffic rights which may be exercised at such points by the designated airlines, shall be jointly determined between the aeronautical authorities of both Contracting Parties.
- (*) Intermediate and beyond points may be omitted by the designated airline(s) on any or all flights at their discretion provided that such services on this route shall start and terminate in the territory of the Contracting Party designating the airline.

ANNEX II
CODE SHARING

The designated airline(s) of either Contracting Party may enter into marketing arrangements such as blocked space, code sharing or other commercial arrangements with:

- a) an airline or airlines of the same Contracting Party;
- b) an airline or airlines of other Contracting Parties;

c) an airline or airlines of a third Country

provided that all airlines in the above arrangements hold the appropriate route and traffic, rights and in respect of each ticket sold, the purchaser is informed at the point of sale which airline will operate each sector of the service.

For third party code share arrangements all airlines in such arrangements are subject to the approval of the aeronautical authorities of both Contracting Parties. Should such a third party not authorized or allow comparable arrangements between the airlines of the other Contracting Party and other airlines on services to, from and via such third country, the aeronautical authorities of the concerned Contracting Party have the right not to accept such arrangements.

It is the common understanding of both Contracting Parties that code-share services are not counted against the frequency entitlement of the marketing airline.
