4. THE APPOINTMENT PROCEDURE

General

4.1 Applications are welcome from all those who satisfy the published eligibility requirements.

Confidentiality

4.2 The Judicial and Legal Services Commission will treat all applications and supporting information as confidential until the consultation process when the persons consulted shall be notified of the candidates so that they may provide feedback if they so desire.

Interviews

4.3 Selected applicants will be invited to an interview.

Consultation

4.4 Applications will normally be subject to written consultation only.

4.5 Persons to be consulted (referees) will include the Judges of the Eastern Caribbean Supreme Court, constituent Bar Associations, the OECS Bar Association and persons nominated by the applicant. For applicants outside the OECS, consultation in the relevant territory will be with the Judiciary through the Chief Justice and with relevant professional Associations.

4.6 No single referee's view of an applicant is decisive.

4.7 You will be provided with the referee forms and guidelines for referees. You will be responsible for sending the form and guide to each of the three persons whom you would have listed at Part E of the application form. The forms should be distributed to the referees by the applicant but should be returned to the Secretary, JLSC directly and not through the applicant. Failure to comply with the instructions will result in the reference being rejected.

Allegations of misconduct

4.8 The Judicial and Legal Services Commission will attach no weight to un-particularized allegations of misconduct. It will consider any specific allegations of misconduct in their full context, including the views of the applicant concerned. If a specific allegation of misconduct is made, the Judicial and Legal Services Commission will seek the referee's consent to send details of the allegation to the applicant, to enable him or her to comment on the allegation.

The Judicial and Legal Services Commission emphasizes that if consent is not given to reveal details of any allegations of misconduct to the applicant concerned, it will disregard the allegation.

4.9 This applies only to specific allegations of misconduct; it does not apply to more general reservations expressed about an individual's professional abilities and qualities. For practical purposes, 'misconduct' refers to conduct which, if the allegations were substantiated, would be regarded by a professional Association as an infringement of the relevant principles of

professional conduct; and/or might, prima facie, cause the Judicial and Legal Services Commission to consider whether to initiate disciplinary proceedings, where the person concerned is a holder of a relevant judicial or legal office.

Assumption of Duty

- 4.10 In the event of an appointment the candidate would be expected to take up the appointment as soon as possible, subject to a reasonable period being allowed for disengagement from existing obligations.

PART 3

The Judicial and Legal Services Commission will provide you with the referee form and guide which you will send to the persons named on the application form as referees. The consultation process is to enable the Judicial and Legal Services Commission to have the widest possible views on applicants. Only referee forms received directly from the referee will be considered.

Canvassing for Support

- 5.9 It is not necessary or appropriate for applicants to approach those whom they name to canvass support as what is sought is not a reference but information to enable an assessment to be

made of their suitability for appointment. Likewise it is unnecessary and inappropriate for referees to canvass support for particular applicants. However, applicants are advised that, as a matter of courtesy, they may feel free to inform their referees that they have been nominated.

PART 3

3. RECORDING COMMENTS

General

- 3.1 All referees are asked to provide substantive written comment about the candidate's skills and abilities on the Assessment Form enclosed with this Guide. If there are insufficient copies of the assessment form for your needs, please photocopy one of the originals, or, if you prefer, contact the Secretary of the Judicial and Legal Services Commission.
- 3.2 If it is not convenient to use the form supplied, please express your views in a letter. However, the Judicial and Legal Services Commission would find it most helpful if you addressed the criteria outlined in paragraph 2.1 and included the information requested on the form.

Marking

- 3.3. The Judicial and Legal Services Commission will have regard to the criteria at paragraphs 2.1 when considering an application. You are asked for a marking in relation to each of these criteria, in accordance with the following scale:

- [1] Not demonstrated
- [2] Insufficiently demonstrated
- [3] Demonstrated

- [4] Well demonstrated
- [5] Very well demonstrated

- 3.4 The Judicial and Legal Services Commission has emphasized that it will place more weight on particularized comments [see paragraphs 3.6-3.9] and, in order to ensure that applicants are judged by different referees on the same basis, has asked that all referees use the following overall classifications:

- [1] Not suited for appointment
- [2] Not yet suited for appointment
- [3] Suited for appointment
- [4] Well suited for appointment

Ranking

- 3.5 In a highly competitive situation like this, it would be very helpful to the Judicial and Legal Services Commission to be given a ranking of the leading candidates. The Judicial and Legal Services Commission asks that all referees give an order of preference for those candidates in respect of whom they award an A marking.

Comments

- 3.6 The Judicial and Legal Services Commission emphasizes that comments on an applicant's suitability or otherwise for appointment to the High Court must be fully supported by detailed reasons.

Any comments on an applicant's suitability or otherwise for appointment to the High Court which are not supported by detailed reasons will be disregarded.

- 3.7 The Judicial and Legal Services Commission emphasizes that the weight attributed to a referee's opinions will depend on how particularized they are and how close referees are to the sources of their information.
- 3.8 The Judicial and Legal Services Commission requests that you give details of your knowledge of the candidate - whether it is through their judicial work or through their practice; and whether you have any other connections, such as chambers or professional associations. You are also required to give an indication as to how frequently you come into contact with the candidate and how recent is your knowledge of him or her.
- 3.9 The comments, classifications and rankings that you provide may assist the Judicial and Legal Services Commission to determine how a candidate ranks. Referees must assess each candidate's suitability against the criteria for appointment. You are asked to be objective in your assessments and to provide reasons in support.

Allegations of Misconduct

- 3.10 The Judicial and Legal Services Commission requests that referees views should be expressed fully and frankly. Any reservations and recommendations should also be indicated. In considering the views that are expressed the Commission will attach no weight to unparticularized allegations of misconduct. The Judicial and Legal Services Commission wishes to consider only specific allegations of misconduct in their full context, including the views of the applicant concerned. If a specific allegation of misconduct against an applicant is made, the Commission will therefore seek the referee's consent to send details of the allegation to the applicant, to enable him or her to comment on the allegation.

If consent is not given to reveal details of any specific allegations of misconduct to the applicant concerned, the Judicial and Legal Services Commission will disregard the allegation when considering the results of the consultation.

- 3.11 The foregoing applies only to specific allegations of misconduct; it does not apply to more general reservations expressed about an individual's professional abilities and qualities. For practical purposes, 'misconduct' refers to conduct which, if the allegation were substantiated, would be regarded by a professional Association as an infringement of the relevant principles of professional conduct; and/or might, prima facie, cause the Judicial and Legal Services Commission to consider whether to initiate disciplinary proceedings, where the person concerned is a holder of a relevant judicial or legal office.

Returning your Completed Assessment Forms

- 3.12 All completed assessment forms should be sent directly to the Secretary of the Judicial and Legal Services Commission to reach him on or before **Monday, 30th November, 2020**.
