

**PUBLIC CONSULTATION ON THE DRAFT MOTOR VEHICLES
(TINT) REGULATIONS 2023**

The proposed Motor Vehicles (Tint) Regulations 2023 would –

1. prohibit the use of vehicles on the road where the windscreen or window of the vehicle is composed of, coated or covered by, or treated or darkened with a material, overlay or other product that does not comply with the visible light transmittance required by the Regulations;
2. prohibit the use of reflective material;
3. restrict the use of curtains or screens; and
4. provide for exemptions from the Regulations.

Comments on the Draft Motor Vehicles (Tint) Regulations 2023 may be submitted to the Attorney-General's Chambers.
